

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION I
J.F. KENNEDY FEDERAL BUILDING, BOSTON, MA 02203-2211

MEMORANDUM

DATE: February 27, 2004

SUBJ: February 12, 2004 letter from United Technologies Corporation regarding Pratt & Whitney,
Rocky Hill, Connecticut

FROM: Ernest Waterman
RCRA Corrective Action Section

TO: Files

It should be noted that indoor air sampling which is being terminated as part of maintaining site stabilization may be required as part of long-term monitoring if the site remedy accepted by CT DEP leaves the perched zone contaminated with carbon disulfide in place beneath the building.
